

About Us

We believe we are the only organization in the United States that focuses on developmental Dyspraxia. The founder of Dyspraxia USA , Warren Fried, in fact lives with this condition. We hope to make a significant impact on society with the help of a strong academic board and the input of those with Dyspraxia and the parents of children with Dyspraxia. Our Mission Statement

To raise awareness; educate people about diagnosis; treatment and resources to improve the quality of life for people with Dyspraxia and their families.

Our Company Vision

To help create a place in the United States where those living with developmental Dyspraxia can have their voices heard. Where parents can network with other parents facing the same complex issues. To educate schools and society in whole pertaining to this complex disorder.
